

**REMARKS**

This amendment is submitted in response to the Examiner's October 18, 2004 Office Action. The Examiner indicated that claim 4 includes allowable subject matter and rejected all other claims.

Applicant hereby amends independent claims 1, and 9 to include the subject matter which was previously indicated as allowable by the Examiner. Specifically, Applicant amends the independent claims to recite two planes that intersect at a hinge line which defines an acute angle between the planes.

In view of the above amendments and the Examiner's previous indication of allowable subject matter, Applicant respectfully submits that the pending application is now in condition for allowance.
